PRESS RELEASE

Club Med Sandpiper Bay: Enjoy sports and wellness for your next vacation stays.

Montreal, April 18th 2014: Discover the novelties of Club Med Sandpiper Bay, the ideal place for sports and family vacations.

In eastern Florida between Orlando and Miami, located on the banks of the St. Lucie River, lies the Club Med Sandpiper Bay. The Floridian Resort is the perfect place for sports and family vacations as it proposes a lot of activities for young and adults. The Resort owns 21 tennis courts, a 18 holes golf course with a redesigned by Tom Fazio II practice and a putting green and have four sports academies such as Tennis Academy, Fitness Academy, Golf Academy and more recently Volleyball Academy well as his tennis academies, fitness and more recently volleyball.

In addition to sports, the Resort has a L'OCCITANE Spa for moments of relaxation and owns 3 restaurants proposing fine cuisine cooked by chefs from around the world.

The "Active Wellness" packages : To enhance your all-inclusive vacation, Sandpiper Bay Village invites you to discover sports program among triathlon, running, fit & Active, tennis and golf. Train by the best coaches in the world, you will discover a 360° innovative approach to help you achieve your fitness goals and discover your true potential.

Each package includes:

- **A performance evaluation**
- **Professional sports coaching**
- Sensorial **L'OCCITANE spa therapies** and an array of other activities

Novelties 2014: In addition to a new Volleyball academy, Sandpiper Bay welcomes new infrastructure and new activities for 2014 including:

- The new **Riverside Grill Restaurant** facing the magnificent St. Lucie River and offering French and Floridian cuisine. The menu offers a selection of dishes based on grilled meat, fish and lobsters.
- The **Sunday brunch**, for a delicious brunch in a friendly atmosphere with music and activities.
- The Studio Cardio is also part of the novelties 2014 and offers Zumba, kickboxing, Pilates and yoga classes.
