

Sensory Winter Wonderland

Create your own sensory bag for your little one!

Instructions: Print out the following sheet of paper. Cut out the snowflake below and trace the shape onto a clear plastic storage bag using a permanent marker. Using glitter, confetti, white foaming shaving gel, and clear hair gel to fill in the bag. Seal the bag, secure with tape and attach to table for a mess-free play time. Have your little one move the colorful items around with their fingers to fill in the snowflake shape.
