Need a lift?

Find the answers to the "Let's Play" questions in the drawing and then color it in!

Ski lifts are great for winter sports, but don't forget hiking too. A couple of alpacas enjoy a chat in a cabin. A dormouse is trying to chew on the lift's cables. The Amazing Family's son shares his cabin with a marmot. A slightly scared bear is waiting his turn for the next lift. At the bottom of the page, everybody is skiing, snowboarding, and having fun. Watch your heads! Don't forget to wear a helmet for safety. A husky is catching some sun on the bottom right.
