BODY OF CLUBMED SPA

FOUR HAND MASSAGE (1 hr 20 mins) \$209 (50 mins) \$179

Not to be missed, never to be forgotten. Our signature massage, performed by two therapists working together, is a unique blend of five different massage styles – Shiatsu, Thai, Hawaiian Lomi Lomi, Swedish and Balinese. The synchronisation of the two therapists makes this massage a sublime experience.

TENSION RELIEF MASSAGE (1 hr 20 mins) \$179

Slow, deep massage strokes deliver pressure to the inner layers of muscles and connective tissue to ease tightly-held tension. It relieves chronic pain by speeding up the blood circulation and thus delivers fresh oxygen and nutrients to the muscles to help them repair and improve their condition.

BALINESE MASSAGE (1 hr 20 mins) \$169 (50 mins) \$149

Our most relaxing massage, harnessing the therapeutic properties of 100% pure essential oils. Used for centuries to renew, strengthen and heal both body and mind, this traditional therapy combines stretching, long strokes, skin rolling and palm and thumb pressure techniques to relieve tension, improve blood flow, ease stress and calm the mind. It can also help to improve the circulatory, lymphatic, muscular and nervous systems. For jetlag recovery, choose our Tranquility massage oil blend.

WARM STONE MASSAGE (50 mins) \$159

The healing power of touch combines with the energy of the earth in this relaxing, muscle melting massage. Smooth, warmed rocks glide across your body in long, flowing strokes. The heat helps to relax the muscles and has a soothing effect on your emotions. Simultaneously, rocks are placed on the body's various energy points to encourage the body's healing potential.

FANCY FOOT-WORK (50 mins) \$119

The most blissful ride your feet will ever take you on. It's like reflexology without the 'ouch'. Based on the same therapeutic principles of its ancient ancestor, this foot massage will help to release toxins and restore your body's energy flow. And it feels like bliss at its celestial best.

AYURVEDA

A Sanskrit word - Ayus meaning 'life' and Veda meaning 'sacred knowledge'.

Ayurveda is a system of medicine designed to remove the imbalance of the physical body, while providing the mental clarity needed to change unproductive mindsets.

Ayurveda recognizes that all living creatures, whether human, plant, or animal, must live in harmony with nature in order to survive. Like the owner's manual of your car prescribes maintenance schedules for the long-term health of your car, Ayurveda speaks of daily and seasonal routines that ensure maximal health, mental clarity, and longevity.

ABHYANGA (1 hr 30 mins) \$209 (1 hr) \$179

Abhyanga is an ancient Indian ayurvedic oil massage therapy for healing and detoxifying body, mind and spirit. With quick forward and backward movements all over the body and using selected herbal oils, this treatment is invigorating and assists in balancing your doshas (air, water, fire).

SHIRODHARA	(1 hr 30 mins)	\$209
	(1 hr)	\$179

“Shiro” means head, and “dhara” is the continuous flow of a liquid. In this process, warm herbal oils are poured in a slow steady stream on your forehead. This treatment is profoundly relaxing and nourishing and will improve your mental clarity.

PADABHYANGAM	(1 hr 30 min)	\$209
	(1 hr)	\$179

Sit back and listen to soothing music and the sound of the waves, while we indulge you in an exotic foot ritual with a mix of herbal ayurvedic oils. This therapy benefits with complete relaxation and in promoting a good sleep pattern.
