# Club Med Green Week

In all our resorts in Asia, we dedicate this week to  
celebrate Nature and to raise awareness on  
sustainability topics

# Welcome onboard for the First Club Med Green Week!

From Sunday 4<sup>th</sup> to Friday 9<sup>th</sup> July, it's all about Sustainability!  
Let's dedicate this week to celebrate the Environment, learn and have fun all together.

Each day of the week will be dedicated to a specific topic in order to raise awareness on diverse issues such as plastic, food waste, and biodiversity.  
It's a perfect opportunity to learn on these topics, to be curious, and have fun!

You can find all the activities of the week in the planning. Any question, don't hesitate to ask the GOs.

We all have a role to play to make this world more sustainable. Can't wait to see you joining our activities!

Together, let's be Happy to Care.

Try to reduce your shower time. You can save a lot of water!

Say no to plastic bags and useless packaging. Together let's bring the change!

Pay attention at the resort gardens, you will be amazed by flora!
