BINTAN EXCURSION

Mystical Mangrove Journey_ 2hours

This two-hour eco adventure will take you on a back-to-nature encounter with the wonders of Bintan Resorts' mangrove forests. These forests protect the coast from erosion whilst trapping sediments in water flowing off the land, helping to create our clear blue coastal waters. Journeying through the Sebung River, home to rich mangrove forests and waterways, observe a myriad of colorful flowers and fruits that stand out against a backdrop of the fleshy green leaves of the mangrove trees.
