So, why *Advantage?*

2023 is all about supporting our highly valued clients who enthusiastically stand by our brand. A key element of showing appreciation is benefit and reward for your dedication and hard work. We say thank you for your everlasting LOYALTY and contribution to our success.

So, what's the Advantage?

The program has been designed to provide both the Company and the Meeting Planner with value that is tangible and beneficial for every event program.

Based on a tiered structure determined by the value of the overall program, your group will benefit from complimentary room nights to welcome cocktail parties to name a few.
