* Article 330 of Indonesia Civil Law Code states that where the term "minor" shall be interpreted as follows, to the extent that it concerns the indigenous population to any individual who has not reached the age of twenty one years and who has not previously entered into matrimony.

** Our Maldivian lawyers advised that non-Maldivians are not subject to Islamic Shari'ah/Maldives law on their sexual relations and there is technically no drinking age applicable under law for foreigners (and individual establishments will be free to determine their own drinking age).
