## Artist Programs

### Gwen & Ben

Live Music Duo  
(20/07 – 04/08)

Ben began performing at 18, influenced by artists like Elton John, The Eagles, and The Beatles. For fifteen years, he played solo and with his band, aiming to share the energy of the music he loved. Gwen, who grew up singing with her grandparents and in church choirs, brought her feminine touch, pretty voice, smile, and light to the group.
