Day 1 : Boarding from 16h to 20h
Day 9 : Landing from 09h to 11h
Itinerary of your cruise

Day 1 - Friday
La Romana
A little port, built in 1851 to ease maritime traffic. The town was only officially founded in 1897. The city itself only began to grow 20 years later, when Italian immigrants built a large windmill for grinding sugar canes. Ship docked, no water sports. Boarding and disembarkation port of call.

Day 2 - Saturday
Sailing on the open sea
A restorative day at sea. Choose from the range of inviting possibilities on our remarkable sailing ship. Lounge on chaise longues, cool off in one of our two swimming pools, work out with a sea view in our Espace Fitness, find instant calm at the spa and enjoy the attentive company of our G.O® team and crew members.

Day 3 - Sunday
Curaçao
On the largest of the ABC islands (Aruba, Bonaire and Curaçao), Willemstad is a little Caribbean Amsterdam vibrant with colour, blending Dutch and Spanish influences in its own original way. Ship docked at port.

Day 4 - Monday
Bonaire
This Dutch island is a real ecological sanctuary. It owes its reputation to its coral reef, amazing diving, and its flights of pink flamingoes. Ship docked in port.

Day 5 - Tuesday
Granada
This small island territory is home to fragrant nutmeg, cinnamon and vanilla. A succession of colonial influences has left a fascinating heritage of architectural curiosities. At anchor. No water.

Day 6 - Wednesday
Tobago Cays
A dazzling array of blues on the most beautiful coral reef in the Grenadines. Tropical fish sport the most fascinating colours in these crystal clear waters. At anchor. Beach and water sports (no water skiing).

Day 7 - Thursday
Mayreau
The smallest of the Grenadine Islands has just one little village, surrounded by idyllic beaches with the finest sand, crystal clear waters and multicoloured tropical fish. At anchor. Beach and water sports. Inclusive of crayfish picnic.

Day 8 - Friday
Barbados
The Atlantic Ocean and the Caribbean Sea make for a fascinating contrast on this small coral island: Its wild, green northern face contrasts with the azure blue waters of the south and their specific fauna and flora. Ship docked in port.

Day 9 - Saturday
Fort-de-France
The largest of the French West Indian towns blends cosmopolitan style and local colour, with its urban lifestyle, colourful markets, metal architecture and charming old houses. Ship docked in port.

**Excursions of your cruise**

**Day 3 - Sunday**  
Curacao / The colors of Curacao (1/2 day - morning) *  
Discover Willemstad, the capital of Curacao, on foot and by trolley train. Feast your eyes on the brightly coloured architecture of the UNESCO World Heritage Site city centre. Return to the ship at your own pace.

**Day 3 - Sunday**  
Curacao / Artwork and L’Aldeia (1/2 day - morning) *  
Visit an aloe vera plantation to find out about all the uses and benefits of this plant that you will often come across in Curacao. Next, head for the artist's studio where Serena makes her Chichi, figurines representing a typical West Indian older sister. On the way back, stop off at L’Aldeia, a park that brings together replicas of Amazonian cities, a tropical forest and more than a hundred species of animals such as monkeys, parrots and iguanas.

**Day 4 - Monday**  
Bonaire / Sailing and Snorkel (1/2 day) *  
A unique opportunity to experience the joys of sailing as a small group. Take to the waves on a 13 metre single-hull boat, and see the underwater wonders of Bonaire’s sparkling clear waters. After your swim, a refreshing aperitif rounds off the boat trip wonderfully.

**Day 4 - Monday**  
Bonaire / Island tour (1/2 day - morning) *  
The island of Bonaire is one of the most charming of the former Dutch Antilles! After travelling through the capital Kralendijk, a pretty little pastel-coloured town, you'll take the coast road north. You'll see Lake Goto, a natural saltwater lake that's popular with flamingos. Then you'll continue on to Rincon village, founded by the Spanish in the 14th century, and then head South to see the salt pans and former slave houses.

**Day 5 - Tuesday**  
Grenade / Catamaran coucher soleil (1/2 journée - après-midi) *  
You'll discover St Georges - the charming capital, known as the Little San Francisco of the West Indies - in a vintage truck. You'll stop at the two forts that look out over the town, and after a detour in the nearby hills, where you'll have a great view of the interior of the island, you'll have the chance to swim from one of Grenada's most beautiful beaches.

**Day 5 - Tuesday**  
Grenade / Seafari Zodiac (1/2 day) *  
Service only available on board. Discover the Caribbean coast of Grenada at the helm of a speedboat for two people. You can explore the marine park where you will enjoy a snorkelling session on the very spot where Jason de Cayres Taylor submerged his now world-famous sculptures.

**Day 6 - Wednesday**  
Tobago Cays / Catamaran / Morpion Island (1/2 day) *  
Morpion - also known as Morplo - will make your paradise island dream come true! A tiny white sand island with a straw hut and palm tree leaf roof, the main function of this speck of paradise is to indicate the way to sailors. This highly photogenic spot has featured in magazines worldwide: today, it's all yours!

**Day 7 - Thursday**  
Mayreau / Catamaran, the Heart of the Grenadines (1/2 day) *  
This picture postcard afternoon, with a 100% Caribbean ambience and cocktail, will take you to the translucent waters of Union Island and Palm Island. The temperature is always perfect for swimming, and you'll be delighted to don flippers and mask to admire the colourful fish, or walk on the sparkling white sand.

**Day 8 - Friday**  
Barbados / Little England (1/2 day) *  
Don't miss this opportunity to discover the treasures of the island known as the "Little England" of the Antilles, starting with Farley Hill, a very popular spot with the Barbadians, and Bathsheba, a small fishing village known worldwide for its great surfing waters. You'll end the trip with a visit to the 18th century Villa Sunbury, a former planters' villa with a sumptuous interior.

**Day 8 - Friday**  
Barbados / Submarine (1/2 day - morning) *  
A unique opportunity to admire the splendour of the tropical sea. Venture into this realm of silence, 50 metres down, on a high-tech submarine. Discover the coral reefs (sea fans, sponges) and fish (angel, butterfly, surgeon and boxfish, to name but a few).

**Day 8 - Friday**  
Barbados / Remote Barbados in a 4x4 (1/2 day) *  
From sugar cane fields to tropical forest via the village of Bathsheba, you'll drive over dirt tracks through the most inaccessible parts of the island and see the finest views of the Atlantic coast.

**Day 9 - Saturday**  
Fort de France / Rhumerie Clément (1/2 journée) *  
Service only available on board. Discover Habitation Clément, an exceptional rum distillery in many ways. It includes a colonial mansion that welcomed presidents Mitterrand and Bush after the Gulf War, botanical gardens, as well as a distillery that produces the most famous rums in the French Antilles. Your tour will end with a tasting of old rum. For reasons of airport security, all purchases of bottles of rum made at the plantation must be packed in a suitcase destined for the baggage hold before checking in for your flight.

**Day 9 - Saturday**  
Fort de France / the Gardens of Balata (1/2 day - morning) *  
Flower Island presents the most beautiful show nature can offer. The Caribbean's entire bio-diversity can be seen in the Balata Gardens' unique botanical collection. The suspended bridges add perspective and astonishing sensations. On the way back, you'll have the chance to explore the market at Fort-de-France.

---

* Excursion available during and after the booking of your cruise.
HEALTH FORMALITIES
Recommended vaccines: diphtheria, polio, tetanus, hepatitis A and B and typhoid. Some parasitic or viral diseases can be transmitted by mosquitoes during certain stopovers. The use of skin and clothing repellents is recommended. Pregnant women, who do not require constant medical attention, can access the boat on presentation of a medical certificate indicating the date of the term and certifying that the pregnancy is compatible with the cruise. The cruise must be completed before the end of the 26th week of pregnancy.
