## Testimonials

"The staff are absolutely wonderful and very accommodating, nothing was too much of an effort. The food was great and the variety was really awesome. The entertainment was excellent and the GO's really made an effort to mingle with the group. Tour guides were great and the tours we did were fantastic."

**Karyn Lovesay, Marketing Account Manager  
NetPartnering South Africa**

"Club Med is the ideal venue for incentive travel. It is an all pre-paid experience which allows you to budget your travel accurately. It has something for everyone, a fun filled holiday, an active holiday or just a relaxing time out. There is room for networking as well as just being on your own, all tailor made to your needs."

**Vivienne Bosch, PA to Group Retail Operations Director and Guild Chairman  
The SPAR Group Ltd South Africa**

"As an events and incentive organizer for corporate clients, my experience with Club Med has been so positive that I've been asked if I worked for them! Once my clients experience Club Med they tend to look no further... they know at the resorts they will be well looked after and will be spoilt for choice. Perhaps the best compliment I can give Club Med is that my clients have mentioned that the actual experience is better than the brochure!"
