

Standard Terms & Conditions of the 2024 Club Med “Great Members” Loyalty Program

Preamble

Club Med offers its “Great Members” loyalty program (hereafter the “Program”) to its United Kingdom customers (hereafter the “Great Members®” or “G.M®”) so they can obtain the benefits (hereafter the “Benefit(s)”) described below.

These Standard Terms & Conditions of the “Great Members” Loyalty Program (hereafter the “Great Members” Standard Terms & Conditions) supplement the Standard Sales Terms & Conditions in force in Club Med®, on its website www.clubmed.dk/ which prevail over the “Great Members” Standard Terms & Conditions in the event of contradiction.

These “Great Members” Standard Terms & Conditions supersede all previous versions.

Article 1 – Principle and agreement to participate in the Program

Participation in the program is free of charge and automatic for any G.M® on returning from the first stay of a minimum of one (1) night with Club Med®, on the same site irrespective of the destination: Club Med Resort Club Med Villas & Chalets, Discovery Tours by Club Med or Cruises by Club Med (hereafter the “Stay(s)”).

Participation in the Program entails the unreserved acceptance of these Great Members Standard Terms & Conditions.

Any G.M® who refuses these the Great Members Standard Terms & Conditions must inform the Customer Relations Department using any means permitting acknowledgement of receipt (recorded delivery letter with acknowledgement of receipt, email,) at the following address: Club Med, Customer Relations Department, 2nd floor Connect House, 133-137 Alexandra Road, Wimbledon, London, United Kingdom, SW19 7JY. The refusal of these Great Member Standard Terms & Conditions will exclude the GM and the people who may be registered under the same G.M® number from the Program. The G.M® who refuses the Great Members Standard Terms & Conditions is exclusively liable to the persons concerned for the exclusion from the Program.

Participation in the Program involves accumulating points (hereafter “Great Members Points”) which are acquired in the situations and in accordance with the terms set out below, with the attainment of certain thresholds of Great Members Points giving access to difference statuses (hereafter the “Status(es)”) with entitlement to Benefits.

Article 2 – Participants and beneficiaries of Great Members Points

In accordance with these Great Members Standard Terms & Conditions, the Program is only open to natural persons of full age domiciled in the United Kingdom with legal capacity to contract i.e. aged at least 18 years old and not subject to any measure of legal protection (guardianship or protection order).

Children under 18 are covered by the G.M[®] number of the parent who registered them when making the first booking.

The following also do not qualify for the Program: legal persons, employees (G.O and G.E) as well as the discount benefiting their families, persons on missions for Club Med and representatives (indirect distribution network) of Club Med[®], and the partners of the Program involved in providing the Benefits. Stays directly booked in Resorts with discounts are excluded from the points calculation of the program.

The participant (hereafter “the Member”) warrants that the information which he/she supplies on themselves or their family members who are registered under his/her G.M[®] number is true.

Club Med[®] reserves the right to verify a Member’s capacity to participate in the Program and can exclude any person who is not authorised to participate under these Great Members Standard Terms & Conditions.

Great Members Points are awarded to the United Kingdom G.M[®] personal or household number, which is allocated when booking or in any other situation when Great Members Points are attributed. “Household” is defined in the Club Med[®] Standard Terms & Conditions of Sale and is restricted to a maximum of six (6) adults members for this Program.

Great Members Points can never be transferred to a third party. They are not an exchange currency and exclusively enable the Turquoise, Silver, Gold or Platinum statuses to be attained.

As the Program is also offered in other countries under different conditions, moving abroad can modify the conditions for the Member’s participation in the Program, especially the way Great Members Points are calculated, which will be revised in accordance with the scale in force in the Member’s new country of residence. If the Member loses his or her status due to moving, the Member will be awarded Great Members Points in order to preserve the Member’s current status in the new country of residence until the end of the Program Year in progress (i.e. 31st December).

If G.M[®] numbers are merged, the history of the two previously distinct G.M[®] numbers will, on request, be added to the G.M[®] number resulting from the merger (except bonus points received from an old merger) and the associated Status will be updated accordingly.

If G.Ms[®] registered under the same G.M[®] number separate, each G.M[®] number resulting from the separation will, on request, be allocated the number of Great Members Points corresponding to its consumption.

Article 3 – Great Members Points: reason and date of acquisition - Accrued amount

Great Members Points are acquired in accordance with:

- The **amount of bookings for Stays**, the full amount of the booking (including Stay, transport and transfers, extra/à la carte services and annual subscriptions) is taken into account to calculate Great Members Points. Great Members Points are only acquired after the stay has been paid to Club Med[®] in full, and are credited the day after the return from the Stay.

- The **amount of on-site expenditure (hereafter the “Site(s)”) during the Stays**, “Sites” means Club Med Resorts, Club Med Villas & Chalets, Discovery Tours by Club Med and Cruises by Club Med (only for expenditure on board Club Med 2. Great Members Points are only acquired after all the on-site expenditure has been paid to Club Med[®] and are credited the day after the return from the Stay. The expenses made with the Gift Pass (Gold and Platinum advantage) will not be counted in the calculation of the Great Members points.

The number of purchases paid in local currency outside of the Eurozone will be converted into euros and then converted into Great Members Points in accordance with the scale given below. The exchange rate used will be the average rate over the month preceding the month during which the transaction is recorded. When applying the conversion rate to the Great Members Points results in a decimal number: if the decimal number is less than 5, the number of Great Members Points credited to the G.M[®] number will be the whole number immediately below; if the decimal number is equal or higher than 5, the number of Great Members Points credited to the G.M[®] number will be the whole number immediately above.

- The **number of Stays spent with Club Med[®] by the household (not per member of the household) or by G.M[®] registered alone under an individual G.M[®] number**. The Great Members Points are only acquired after the end of the Stay with Club Med[®] and credited the day after the return from the Stay. In case of several Stays one after the others or extension of the initial Stay in the same Resort, Great members points based on Stay frequency will be reckoned only once. If there are 9 nights (10 days) or less between the return date of a first stay and the arrival date of a second stay in the same resort, then the frequency points are not reallocated for the second stay because these stays are considered as one stay. For Club Med Kabira, Kiroro,

Tomamu and Sahoro, benefits will only be offered once for Great Members with 1 or more night gap in between stays in the same resort within a 5-day period.

- The number of Referrals made in accordance with the terms of the Referral Program available on the website www.clubmed.dk and approved travel agencies partners. The Great Members Points are only attributed after the Referral has been performed and the Recommended Friend has stayed with Club Med® under the conditions in the Referral Program and are credited the day after the Recommended Friend returns from the stay.

Great Members Points are valid for three (3) years from the date they are acquired.

The following Great Members Points will be allocated to the individual or household G.M® number:

- For €100 spent with Club Med® when booking or on Site, for a minimum of one (1) night : 97 Great Members Points are attributed to the G.M® number. This new scale of points is applied for all bookings on-site expenditures from January 1st 2017.
- For each stay spent in Club Med®, per household (and not per member of the household) or by the G.M registered alone under an individual G.M number, 1 500 points are attributed to the G.M® number for a stay of 1 night. For each stay spent in Club Med®, per household (and not per member of the household) or by the G.M registered alone under an individual G.M number, 2 500 points are attributed to the G.M® number for a stay of 2 to 7 nights. From January 2nd 2019, 3 000 points are attributed to the G.M® number for a stay of 8 consecutive nights and above.
- For each referral performed: 2,500 Great Members Points are attributed to the referrer.
- For Each Point Boosters Commercial offer applied to the G.M® When He's Eligible

Article 4 – Statuses

The Member is given a status for him/her or their household which gives entitlement to certain Benefits, according to the accrued number of Great Members Points. Club Med® reserves the right to modify the list of benefits below every year (on January 1st of each year).

During the period of validity of the status, the Member can acquire the higher status thanks to accrued Great Members Points. Great Members Points are only earned once the Stay is completed at Club Med® and are credited the day after the return of the Stay. A new loyalty status cannot be assigned while a stay is in progress.

The consumption during the three (3) Program Years preceding the current Program Year is taken into account to determine the Member's current status.

The equivalence between statuses and the Great Members Points acquired:

If on 1st January, the Member has acquired, in accordance with the scale given in the previous article and the calculation methods stated above

- Less than 19,999 Great Members Points, the Member attains the Turquoise Status;
- Between 20,000 and 49,999 Great Members Points, the Member attains the Silver Status;
- Between 50,000 and 99,999 Great Members Points, the Member attains the Gold Status;
- From 100,000 Great Members Points, he attains the Platinum Status.

Members must keep all documentary proofs, to prove their consumption and therefore the number of Great Members Points acquired and their Status.

Article 5 – Benefits

The Benefits will be attributed and used under the rules in these Great Members Standard Terms & Conditions and depend on the Status (Turquoise, Silver, Gold or Platinum) acquired by the Member or his/her household.

Benefits supplied are subject to the availability of the proposed Benefit on the Site and any dates of availability appearing in Club Med® communication mediums.

Club Med® will do its utmost to supply the Benefits to Members but does not guarantee their availability.

If the Benefit is unavailable, Club Med® or its partner can propose any other benefit to the Member, whether it is equivalent or not.

Benefits cannot be disputed by the Members, or exchanged, refunded or be the subject of any other counterparty of any kind whatsoever.

Benefits cannot be transferred to third parties in any circumstances or in any way.

G.Ms® registered under a household G.M® number must organise themselves accordingly.
